When the owner makes the deposit, the date will be noted and they will be informed of their picking order (if more than one puppy is an appropriate fit). Upon sending in the deposit, all owners should submit a preferred sex of the puppy and if they desire, they can make their deposit conditional on this preference. Without the 14 day notification, Parkseite German Shepherds has no obligation to transfer the deposit. If for any reason the cancellation of this pup causes the breeder additional expenses, he has the right to deduct this expense from the deposit
